

REMARKS

Claims 1-20, 23, 24, 27 and 28 are now in this Application, and are presented for the Examiner's consideration.

Allowable Subject Matter

Claims 1-20, 23, 24, 27 and 28 have been allowed.

Prior Art Rejections

Claims 21, 22, 25 and 26 were rejected under 35 U.S.C. §102(b) as being anticipated by U.S. Patent No. 1,956,862 to Gantz.

However, these claims have been canceled, thus rendering this rejection moot, and thereby overcome.

Since the only claims now in the application are those that have been allowed, it is submitted that the application is now in condition for allowance.

If the Examiner has any comments, questions, objections or recommendations, the Examiner is invited to telephone the undersigned at the telephone number given below for prompt action.

In the event that this Paper is late filed, and the necessary petition for extension of time is not filed

concurrently herewith, please consider this as a Petition for the requisite extension of time, and to the extent not tendered by check attached hereto, authorization to charge the extension fee, or any other fee required in connection with this Paper, to Account No. 07-1524.

The Commissioner is authorized to charge any additional fees which may be required, or credit any overpayment to Deposit Account No. 07-1524.

In view of the foregoing amendments and remarks, it is respectfully submitted that Claims 1-20, 23, 24, 27 and 28 are allowable, and early and favorable consideration thereof is solicited.

Respectfully submitted,

  
Richard M. Goldberg
